Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d Nov. 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

GENERAL ORDER.

HORSE-GUARDS, 25th April, 1826.

THE arrangement detailed in the annexed Official Memorandum having received the approval of The King, and the same having been adopted with a view to the general efficiency of the Service, and to meet the immediate advantage and convenience of the respective classes of Regimental Officers holding Brevet Rank, to which its provisions exclusively apply, His Royal Highness the Commander in Chief communicates to the Army His Majesty's gracious intentions upon this occasion, in order that Officers on Regimental Full Pay, who shall be entitled to profit thereby, may have the opportunity of doing so without delay.

By Command of His Royal Highness
The Commander in Chief.
HENRY TORRENS, Adjutant Gen.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years*, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

to avail themselves of this arrangement, will receive information at the Colonial Department.

The Officer, to whom Land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army, the following Regulations are to be observed:—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.*

Officers on half-pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds† of the value fixed by the last Regulation, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,‡ viz. one-third of the value to be paid in such manner as His Majesty's Government shall direct; the price given by the purchaser, being in each case, the full value of the commission.

The Officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him upon his arrival in the Colony, and upon his taking possession of the Grant.

By command of His Royal Highness,
the Commander in Chief.

HENRY TORRENS,
Adjutant General.

GENERAL ORDER.

HORSE GUARDS, 24th May, 1826.

THE King is pleased to command, that henceforth every Officer of the Army who wishes to be presented at a Foreign Court, shall make his Application for that purpose, through His Majesty's Ambassador, Minister, or Chargé d'affaires (as may be) resident at the said Court, and through no other Channel whatsoever.

By Command of His Royal Highness,

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

GENERAL ORDER.

HORSE GUARDS, 8th June, 1826.

EARL Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase, are as follows:—

That no free Grant shall be made to any Officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—

Officers who have served twenty years and upwards, to be exempted from all quit rent.

Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years.

Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officers, who may be disposed

Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d *Nov.* 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

GENERAL ORDER.

HORSE-GUARDS, 25th April, 1826.

THE arrangement detailed in the annexed Official Memorandum having received the approval of The King, and the same having been adopted with a view to the general efficiency of the Service, and to meet the immediate advantage and convenience of the respective classes of Regimental Officers holding Brevet Rank, to which its provisions exclusively apply, His Royal Highness the Commander in Chief communicates to the Army His Majesty's gracious intentions upon this occasion, in order that Officers on Regimental Full Pay, who shall be entitled to profit thereby, may have the opportunity of doing so without delay.

By Command of His Royal Highness
The Commander in Chief.
HENRY TORRENS, Adjutant Gen.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years,* who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

For New South Wales and Van Dieman's land	8 ditto.
For Western Africa, and the Cape of Good Hope	4 ditto.
For North America, and the West Indies	3 ditto.
For Stations in Europe	2 ditto.

VI. Officers, except Military Secretaries and Aides-de-Camp, discontinued on the Staff abroad, unless for misconduct, shall be allowed Pay to the dates when they shall cease to do the duty of their respective Appointments, if they shall not have been discontinued on the Staff at their own request; and if no unnecessary delay shall have taken place on returning Home, they shall receive, on arriving in Great Britain or Ireland, a further issue of Staff Pay to the dates of their landing; and, in such case, if the Officer shall have no other Military Income than that of his Staff Appointment, the issue of his Staff Pay shall be further allowed for one Month beyond such date of landing. But if the Officer so discontinued, shall belong to a Corps serving on the same Station abroad, his Staff Pay shall cease from the date of his discontinuance on the Staff.

VII. Staff or Garrison Officers, obtaining leave of absence from Foreign Stations, are not to be allowed the Pay of their Staff or Garrison Appointments, unless such leave shall subsequently be confirmed by Our Commander-in-Chief; nor unless it shall be shewn, by a Certificate from the Officer Commanding on the Station abroad, that the performance of the duty of their Appointments has been provided for in their absence, without any additional expense to the Public, other than that sanctioned by Article X. of this Warrant. Staff pay shall be issued to such Officers abroad to the dates of their ceasing to do duty; and the Officer commanding on the Station, may, at his discretion, authorize an advance of Pay to them for any period, not exceeding the time allowed by Article V. of this Warrant, on embarking for the United Kingdom; provided that arrangements have been made, that their duty shall be executed in their absence, without any additional expenses being incurred by the Public. Every such advance of Pay shall be noted in the periodical Returns of the issues of Pay abroad, and in Certificates to be furnished to the Officers themselves, which Certificates shall be produced in support of any claims they may make at Home, to a continuance of their Pay while absent from their Stations.

But if an Officer, who has come Home on leave, resigns his Staff or Garrison Appointment, without returning to resume the duties thereof, he shall not receive the Pay of such Appointment for more than three Months beyond the date of his landing in the United Kingdom.

VIII. Officers of the Ordnance Department, when employed upon the

General Staff of Our Army, or in the command of Our Troops of the Line, shall be placed precisely on the same footing, in regard to Pay and Allowances, as Officers of Our other Land Forces when thus employed, receiving their Staff Pay and Allowances through the same Department; Reports thereof being made to Our Board of Ordnance, by the Officer commanding on the Station.

IX. Lists of the Staff and Garrison Appointments on Foreign Stations, for which Provision shall have been made by Parliament, shall be annually transmitted by Our Secretary at War to the Officers commanding on those Stations, who may grant their Warrants for Pay in conformity to such Lists.

But whereas, through unforeseen circumstances, Appointments, not specified in such Lists, may in time of War become indispensably necessary for the exigencies of Our Service, it is Our Will and Pleasure, that whenever such necessity shall arise, the Officer commanding on the Station shall transmit to Our Board of Treasury, to Our Commander-in-Chief, and to Our Secretary at War, a special Report of the circumstances which have created the necessity for the new Appointment, specifying the rate of Pay or Allowance proposed to be attached thereto, and whether the new Appointment is proposed to be permanent or temporary. But it is Our express command, that, in time of Peace, no addition shall be made to the Staff or Garrison Establishments abroad, provided for and notified as abovementioned, or to the rates of Pay therein stated, without our previous consent signified through Our Secretary at War.

X. Whenever a Regimental Officer, not being on the Staff, shall succeed to the temporary command of Our Troops on a Foreign Station, in consequence of the death or absence of the Officer who held such Command by a regular Staff Appointment, such Regimental Officer shall, during the period of his temporary Command, receive, in addition to his Regimental Emoluments, twenty Shillings a day, if he be a Field Officer; or ten Shillings a day, if he be of inferior Rank.

XI. In time of War, Pay may be allowed for the following Number of Aides-de-Camp to General Officers on the Staff, viz.—

Commander in Chief — — —	Six.	Lieutenant-General — — —	Two.
Commander of the Forces (commissioned as such) — — —	Four.	Major-General — — —	One.
General — — —	Three.	Brigadier-General, if employed in active operations in the field —	One.

In time of Peace, the number of Aides-de-Camp being regulated by circumstances, Pay shall only be allowed for such Number, not exceeding the above, as each General Officer shall have been specially authorized to employ.

The Pay of an Aide-de-Camp shall be issued to himself, and not to the General Officer to whom he may be attached.

When an Aide-de-Camp is appointed to serve with a General Officer belonging to the Staff abroad, if the General Officer be on the Foreign Station, the Aide-de-Camp shall receive Pay from the day on which he joins the General Officer; but if the General Officer embark from Home, and the Aide-de-Camp accompany him, the Aide-de-Camp shall receive Pay from the date of joining the General Officer at the Port of Embarkation for Foreign Service.

Except in the case before stated, an Aide-de-Camp shall not receive Pay, unless the General Officer, to whom he shall be attached, shall be present and serving on the Station; but an Aide-de-Camp, ceasing t

belong to the Staff, in consequence of the death or discontinuance of such General Officer, shall be allowed to receive Pay to the date when the General Officer ceased to do duty on the Station; and if the Aide-de-Camp be an Officer on Half Pay, (but not otherwise,) he shall further receive Staff Pay to the date of his landing in Great Britain or Ireland, provided he shall use proper diligence in returning home.

XII. A Military Secretary shall be allowed to those General Officers only, who are commissioned as Commanders of the Forces; and to such other General Officers, holding distinct and independent commands, to whom Our special Authority to that effect shall be given through Our Secretary at War.

The Pay of a Military Secretary shall be issued according to the rules laid down in the preceding Article, No. XI., for the Pay of an Aide-de-Camp.

If any circumstances shall arise, in the course of active Operations in the Field, to render it necessary to employ an Assistant Military Secretary, the reasons for requiring such Appointment shall be stated to Our Board of Treasury, to Our Commander in Chief, and to Our Secretary at War, with the Pay proposed to be allowed for the same, not exceeding 9s. 6d. per diem.

XIII. The actual and necessary expense of Clerks, employed by the Military Secretaries, and in the Military Staff and Garrison Departments Abroad, shall be charged in the Contingent Accounts of the General Officers Commanding, and of the Military Departments respectively, agreeably to the Estimates which are required by Our Board of Treasury to be annually transmitted; and any changes in the authorized Establishments, together with the causes thereof, are to be immediately reported to Our Board of Treasury, and to Our Secretary at War.

XIV. On a Station where no commissioned Deputy Judge Advocate is borne on the Establishment, if it should be found necessary to appoint some Officer to act in that capacity on a Court Martial, such Officer shall receive an Allowance of Two Guineas per diem during the actual sitting of the Court, and for any intervening Sundays; but not for more than two days of any adjournment of the trial, whatever may be the cause of such adjournment. The Officer, thus acting, shall submit to the President of the Court Martial, an account of the expenses incurred on the trial, for Stationery, Hire of Rooms, or other contingent Charges, when, if the same shall appear to the President to be fair and reasonable, a certificate thereof may be given by him, in order that the Amount may be issued by the Warrant of the Officer commanding on the Station.

XV. It is Our further pleasure, that this Our Warrant be registered on the several Stations Abroad, as a standing Order, from which no deviation whatever is to be allowed, without Our special sanction.

And for the performance of the several matters herein contained, this shall be, to all persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 21st day of January, 1826, in the sixth year of Our Reign.

By His Majesty's Command,

PALMERSTON.

No. 434. GENERAL ORDER.

HORSE GUARDS, 8th June, 1826.

EARL Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase are as follows:—

That no free Grant shall be made to any officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—Officers who have served twenty years and upwards, to be exempted from all quit rent. Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years. Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officer, who may be disposed to avail themselves of this arrangement, will receive information at the Colonial Department.

The officer, to whom land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army the following Regulations are to be observed.—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.*

Officers on half pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds of the value fixed by the last Regulation, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,‡ *viz.* one third of the value to be paid in such manner as His Majesty's Government shall direct; the price given by the purchaser, being in such case, the full value of the commission.

The officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him, upon his arrival in the Colony, and upon his taking possession of the Grant.

By Command of His Royal Highness, the Commander in Chief,
HENRY TORRENS, Adjutant General.

Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d Nov. 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

No. 432.

HORSE-GUARDS, 25th April, 1826.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years*, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

No. 436. **GENERAL ORDER.**

RECRUITING DEPARTMENT. HORSE GUARDS, *15th July*, 1826.

THE Commander in Chief directs that the Recruiting for the Infantry of the Line, *excepting the regiments serving in India*, shall be conducted upon the following footing, until further orders: viz.

Regiments, which are within 50 of their establishment of 740 rank and file, to enlist no recruit under 5 feet 8 inches in height; and corps wanting more than 50 men of completion to enlist no recruit below the standard of 5 feet 6½ inches, until they arrive within 50 of their establishment, when they are to be restricted to the increased standard of 5 feet 8 inches.

Commanding Officers of Regiments and Depots will guide themselves by the directions herein communicated, and, according as their establishments may approach or fall short of completion, make application for such orders being sent to their recruiting parties as may be necessary to fulfil the object of the present regulation.

By His Royal Highness's Command.

HENRY TORRENS, Adjutant General.

No. 437. **GENERAL ORDER.**

HORSE-GUARDS, 24th July, 1826.

IT appears from the several Half-yearly Inspection Reports of Regiments, that His Majesty's Orders and Regulations have, in many instances, been neglected, which enjoin the establishment of a "Serjeants Mess" in each corps. The Commander in Chief feels it essential to draw the attention of Colonels and Commanding Officers to a Regulation, which was framed with the view of upholding the consequence and respectability, and of giving force to the authority, of Non commissioned Officers throughout the Army: there are few situations where this beneficial arrangement cannot be carried into effect; and His Royal Highness desires a strict compliance with His Majesty's Orders on the subject.

Where local circumstances may render the measure impracticable, General Officers inspecting Corps will state, in their Reports, the reasons which may have interfered with its adoption, for His Royal Highness's consideration.

By Command of His Royal Highness, the Commander in Chief.

HENRY TORRENS, Adjutant General.

Indies, the Pay of Soldiers confined in Gaols shall be issued according to the following Rules: viz.

If the soldier be imprisoned under the sentence of a Court Martial, or for Debt, so much of his Pay, not exceeding sixpence a day, shall be allowed and issued, as shall be required to provide him with wholesome and sufficient food.

If the Soldier be imprisoned upon a charge of a Criminal Offence, the like proportion of his Pay shall be allowed during his confinement; and if he be acquitted of the charge, he shall be accounted with for the Residue of his Pay upon rejoining his Regiment; but if he be convicted of the charge, he shall forfeit all right to such Residue.

If the Soldier be imprisoned under Conviction of a Criminal Offence, he shall forfeit the whole of his Pay during his confinement under the Sentence of the Court; but when he rejoins his Regiment he shall be completed in Necessaries at the public expense, provided the charge does not exceed the amount of three-pence a day for the period of his confinement.

And for so doing this shall be to all Persons, whom it doth or may concern, a sufficient Warrant, Authority and Direction.

WARRANT consolidating and amending the several Rules and Orders under which Pensions are now granted to the Widows of Officers of the Land Forces, and establishing certain Additional Regulations and Restrictions relative thereto. Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions are now granted to the Widows of Officers of Our Land Forces, and to establish certain Additional Regulations and Restrictions relative thereto; Our Will and Pleasure therefore is, that from and after the 25th December, 1825, this Our Warrant shall be the sole Regulation on this head, and that Pensions, according to the Scale hereunto annexed, may be granted to the following classes of Widows of Officers of Our Land Forces; provided, however, that such Widows shall be considered by Us to be proper and deserving Objects of Our Royal Bounty, and shall produce, in support of their respective Claims, such Affidavits, Certificates and other Documents, as shall be required by Our Secretary at War.

1st.—The Widows of General Officers.

2d.—The Widows of Officers who, at the time of their death, held Commissions on Full Pay in any of Our Land Forces, or who held Commissions from Us, with permanent Rank, in Corps raised for Service in Our Colonies.

3d.—The Widows of Officers dying on Retired Full Pay.

1st.—If married to the Officers before their Retirement on Full Pay.

3d.—If married after the Retirement on Full Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and the marriage shall have taken place within Eight Years after their Retirement.

4th.—The Widows of Officers dying on Half Pay; provided the Officers have been placed on Half Pay by Reduction, or in consequence of Wounds and Infirmities contracted on Service, which rendered them incapable of active Military Duty, and provided they did not receive any Difference on exchanging to Half Pay.

1st.—If married to the Officers before they were placed on Half Pay.

2d.—If married after the Officers were placed on Half Pay, and before the 25th December, 1825, provided the Officers had served Three Years on Full Pay as Commissioned Officers in Our Land Forces.

3d.—If married after the Officers were placed on Half Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and that the marriage shall have taken place within Ten Years after their being placed on Half Pay.

We are further pleased to direct that the Widows of the following classes of Officers, although not actually reduced, shall be allowed the same advantages under this Regulation, as if their husbands had actually been reduced, viz.

1st.—Officers who have exchanged to Half Pay in consequence of being appointed to a Staff or Garrison Situation; provided they did not receive any difference on such exchange.

2d.—Officers who, upon the Reduction of the Regimental Establishments in the Year 1821, were entitled, from Seniority, to be retained on Full Pay, but were allowed to go upon Half Pay, in the room of Officers liable to be reduced.

3d.—Officers who shall have retired on Half Pay under the General Order, dated 25th April, 1826, by which Regimental Officers, who held superior Brevet Rank in the Army, are allowed to retire on the Half Pay of the next effective Rank above their Regimental Rank.

3d.—If the Widow shall receive any other Pension, Provision, or Allowance, from Us.

4th—If the Widow shall have been living in a state of separation from her husband at the time of his death, and shall not have been maintained wholly, or in part, at his expense.

5th.—If the Officer was sixty-five years of age when he married.

6th.—If the Officer had been excused from serving when called upon, unless the state of his health was such as to render him incapable of active Military Duty.

7th.—If the Officer, being a Foreigner, had served against Us, subsequently to his obtaining a Commission in Our Service.

8th.—If the Officer was placed on Half Pay with Temporary Rank only.

9th.—If the Officer received the regulated difference on exchanging to Half Pay; unless he had been previously placed on Half Pay under circumstances which gave his Widow a claim to the Pension, and had paid the difference on being restored to Full Pay, provided, however, that his last retirement to Half Pay was occasioned by Wounds or by Infirmities, contracted in Our Service, which rendered him incapable of active Military Duty.

10th.—If the Officer did not do actual Service in some of Our Land Forces.

It is Our further Will and Pleasure, that the Pension of the Widow shall not be forfeited by her re-marriage, unless the Person to whom she shall be re-married be an Officer and shall serve against Us; also, that if a Widow shall not prefer her Claim to the Pension within One Year after the death of her husband, the Pension shall only commence from the beginning of the Year in which the Claim shall be made; and that if the Claim of a Widow to the Pension shall not be preferred before her death, the Pension shall not be allowed to her Representatives.

And lastly, it is Our Will and Pleasure, that the Pensions of the Widows of Officers of Our Land Forces, except those of General Officers and of Officers holding Staff Appointments, shall be allowed according to the Commissions by which their respective husbands received pay, and not according to Brevets.

WARRANT establishing certain Rules and Regulations by which the Grants of Allowances on the Compassionate List to the Legitimate Children of deceased Officers of the Land Forces shall be governed.—Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules and Regulations, by which the grants of Allowances on the Compassionate List, to the legitimate Children of deceased Officers of Our Land Forces shall be governed, Our Will and Pleasure is, that from and after the 25th December, 1825, Allowances according to the Scale hereunto annexed, No. 1, may be given to such Children, in all cases in which the Widow of the Officer would be entitled to be placed on the Pension List, provided it be shown that they are deserving objects of Our Bounty, and are in distressed circumstances.

It is, however, our Will and Pleasure, that the aggregate amount of the Allowances granted to the Family of any one Officer killed in action, including the Pension of his Widow, if he leave one, shall in no case exceed the rates specified in the scale hereunto annexed, No. 2, and in the case of Officers not killed in Action, shall not exceed, for the Family of a General Officer, Three Hundred Pounds a Year, or for the Family of any other Officer, the rate of the Half-pay attached to his Rank.

Our further Will and Pleasure is, that the Allowances granted to the Sons of Officers may be continued until they attain the age of eighteen, or are otherwise previously provided for, and to the Daughters, if placed on the List before 25th December, 1822, until they marry, and if placed on the List after 25th December, 1822, until they marry, or attain the age of twenty-one, whichever shall first happen, and no longer, except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertions for their own support; and that they are still in distressed circumstances.

Given at Our Court at Carlton Palace, this 13th day of June, 1826, in the Seventh Year of Our Reign.

By His Majesty's Command.

(Signed) PALMERSTON.

Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d *Nov.* 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

No. 432.

HORSE-GUARDS, 25th April, 1826.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years*, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

No. 434. GENERAL ORDER.

HORSE GUARDS, 8th June, 1826.

EARL Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase are as follows:—

That no free Grant shall be made to any officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—Officers who have served twenty years and upwards, to be exempted from all quit rent. Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years. Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officers, who may be disposed to avail themselves of this arrangement, will receive information at the Colonial Department.

The officer, to whom land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army the following Regulations are to be observed:—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.*

Officers on half-pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds† of the value fixed by the last Regulation, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,‡ viz. one third of the value to be paid in such manner as His Majesty's Government shall direct; the price given by the purchaser, being in such case, the full value of the commission.

The officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him upon his arrival in the Colony, and upon his taking possession of the Grant.

By Command of His Royal Highness, the Commander in Chief.
HENRY TORRENS, Adjutant-General.

We are further pleased to direct that the Widows of the following classes of Officers, although not actually reduced, shall be allowed the same advantages under this Regulation, as if their husbands had actually been reduced, viz.

1st.—Officers who have exchanged to Half Pay in consequence of being appointed to a Staff or Garrison Situation; provided they did not receive any difference on such exchange.

2d.—Officers who, upon the Reduction of the Regimental Establishments in the Year 1821, were entitled, from Seniority, to be retained on Full Pay, but were allowed to go upon Half Pay, in the room of Officers liable to be reduced.

8th.—If the Officer was placed on Half Pay with Temporary Rank only.

9th.—If the Officer received the regulated difference on exchanging to Half Pay;

unless he had been previously placed on Half Pay under circumstances which gave his Widow a claim to the Pension, and had paid the difference on being restored to Full Pay, provided, however, that his last retirement to Half Pay was occasioned by Wounds or by Infirmities, contracted in Our Service, which rendered him incapable of active Military Duty.

10th.—If the Officer did not do actual Service in some of Our Land Forces.

It is Our further Will and Pleasure, that the Pension of the Widow shall not be forfeited by her re-marriage, unless the Person to whom she shall be re-married be an Officer and shall serve against Us; also, that if a Widow shall not prefer her Claim to the Pension within One Year after the death of her husband, the Pension shall only commence from the beginning of the Year in which the Claim shall be made; and that if the Claim of a Widow to the Pension shall not be preferred before her death, the Pension shall not be allowed to her Representatives.

And lastly, it is Our Will and Pleasure, that the Pensions of the Widows of Officers of Our Land Forces, except those of General Officers and of Officers holding Staff Appointments, shall be allowed according to the Commissions by which their respective husbands received pay, and not according to Brevets.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules by which the Grants of Annual Allowances, as of Our Royal Bounty, to the Widows, and in certain special cases, to the Mothers or Sisters of Officers of Our Land Forces who have lost their lives in Our Service, shall be governed:—Our Will and Pleasure therefore is,

1st.—That from and after the 25th December, 1825, Allowances, according to the following Scale, shall be granted to the Widows of Officers who shall have been killed in Action, or shall die of their Wounds within six months after being wounded, or shall die a violent death in the immediate execution of some act of Military Duty; provided such Widows shall have made good their Claim to the ordinary Pension, under the Regulations established by Us on that head: and such Allowances shall be in lieu of the Ordinary Pension, and not in addition thereto.

2d.—That when an Officer shall be killed in Action, or shall die of his wounds within six months after he was wounded, and shall not leave a Widow or legitimate Child, an Allowance equal to the ordinary rate of Widows' Pension, attached to the Regimental Rank of the Officer, may be granted to his Mother; provided she be a Widow and in distressed circumstances, and was mainly dependant upon the Officer for support; but if the Mother shall be herself in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from Us, no Allowance, as of Our Royal Bounty, shall be made to her on account of her Son, unless she relinquish such Pension or Provision; and in the event of her re-marrying, the Allowance granted, as of Our Royal Bounty, shall cease.

No. 439. GENERAL ORDER.

HORSE-GUARDS, 2d September, 1826.

IT has been reported to the Commander-in-Chief, that strict attention has not, in all cases, been observed to the Orders issued on 25th April, 1822, relative to the Dress and Uniformity of Regimental Officers, according to Patterns approved by His Majesty, lodged at the Clothing Board, and explained in a descriptive Book circulated with the said Order.

His Royal Highness desires, that the attention of Colonels and Commanding Officers may be drawn to this subject, and that they may be apprised of His intention to take the most serious notice of any unauthorized deviations or expensive additions of embroidery or lace to the Dress of Officers as detailed in those Regulations; which were framed to support general uniformity and to protect Officers, and particularly Infantry Officers, from the weight of unnecessary expense.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS, Adjutant General.

No. 440. GENERAL ORDER.

HORSE-GUARDS, 8th September, 1826.

THE Commander in Chief has great satisfaction in announcing, for the information and guidance of the Officers of the Army, the annexed liberal Regulations which have been established by His Majesty's Government to accommodate the circumstances of all Officers who shall, henceforth, be entitled to Passages in Freight Ships.

Officers will perceive that the said Regulations contain a Clause, whereby each Individual who shall fail to avail himself of the passage thus provided for him, shall forfeit a fourth of the charge for Messing specified in the annexed Scale; and that the Regimental Agents are made responsible to the Public, for withholding the amount of all such Forfeitures from the Parties in their respective Agencies.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS, Adjutant General.

REGULATIONS to be observed, in future, respecting Officers for whom Passages to Foreign Stations are provided in Freight Ships.

THE Captain is bound, by the engagement of his Owners with the Commissioners of the Navy, to provide every officer proceeding in his Ship as a Government Passenger with a sufficient and respectable Table (including Breakfast, Dinner, Tea, and Supper, and a pint of Good Port, or Foreign White Wine, per diem) at the charge stated in the annexed Scale, which also shows the respective proportions to be borne by the officer and the public, when the officer is proceeding to his destination under circumstances which entitle him to a Free Passage. When that is not the case, the whole charge for Messing is of course to be defrayed by the officer; and upon all occasions the Captain is to be paid one-fourth of the Table money for every officer who does not embark, unless sufficient notice is given to prevent his providing for his Mess.

In all cases of such forfeiture being incurred, the officer will be required to pay it; for which purpose the necessary orders will be given to the Regimental Agent, unless his being withdrawn should have taken place for the convenience of the Service, or that another officer embarks in his place.

When officers are provided with Passages in Freight Ships upon the application of the Commander in Chief, the necessary communication will be made to the Commissioners of the Navy respecting those entitled to the Allowance in aid of their Mess, and to those only will it be granted.

Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d Nov. 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

No. 432.

HORSE-GUARDS, 25th April, 1826.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years*, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

No. 434. GENERAL ORDER.

HORSE GUARDS, 8th June, 1826.

EARL Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase are as follows:—

That no free Grant shall be made to any officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—Officers who have served twenty years and upwards, to be exempted from all quit rent. Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years. Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officers, who may be disposed to avail themselves of this arrangement, will receive information at the Colonial Department.

The officer, to whom land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army the following Regulations are to be observed:—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.*

Officers on half-pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds† of the value fixed by the last Regulation, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,‡ viz. one third of the value to be paid in such manner as His Majesty's Government shall direct; the price given by the purchaser, being in such case, the full value of the commission.

The officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him upon his arrival in the Colony, and upon his taking possession of the Grant.

By Command of His Royal Highness, the Commander in Chief.
HENRY TORRENS, Adjutant-General.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions are now granted to the Widows of Officers of Our Land Forces, and to establish certain Additional Regulations and Restrictions relative thereto; Our Will and Pleasure therefore is, that from and after the 25th December, 1825, this Our Warrant shall be the sole Regulation on this head, and that Pensions, according to the Scale hereunto annexed, may be granted to the following classes of Widows of Officers of Our Land Forces; provided, however, that such Widows shall be considered by Us to be proper and deserving Objects of Our Royal Bounty, and shall produce, in support of their respective Claims, such Affidavits, Certificates and other Documents, as shall be required by Our Secretary at War.

1st.—The Widows of General Officers.

Digitized by Google

2d.—The Widows of Officers who, at the time of their death, held Commissions on Full Pay in any of Our Land Forces, or who held Commissions from Us, with permanent Rank, in Corps raised for Service in Our Colonies.

3d.—The Widows of Officers dying on Retired Full Pay;

1st.—If married to the Officers before their Retirement on Full Pay.

2d.—If married after their Retirement on Full Pay, and before the 25th December, 1825; provided the Officers had served Three Years on Full Pay, as Commissioned Officers in Our Land Forces.

3d.—If married after the Retirement on Full Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and the marriage shall have taken place within Eight Years after their Retirement.

4th.—The Widows of Officers dying on Half Pay; provided the Officers have been placed on Half Pay by Reduction, or in consequence of Wounds and Infirmities contracted on Service, which rendered them incapable of active Military Duty, and provided they did not receive any Difference on exchanging to Half Pay.

1st.—If married to the Officers before they were placed on Half Pay.

2d.—If married after the Officers were placed on Half Pay, and before the 25th December, 1825, provided the Officers had served Three Years on Full Pay as Commissioned Officers in Our Land Forces.

3d.—If married after the Officers were placed on Half Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and that the marriage shall have taken place within Ten Years after their being placed on Half Pay.

We are further pleased to direct that the Widows of the following classes of Officers, although not actually reduced, shall be allowed the same advantages under this Regulation, as if their husbands had actually been reduced, viz.

1st.—Officers who have exchanged to Half Pay in consequence of being appointed to a Staff or Garrison Situation; provided they did not receive any difference on such exchange.

2d.—Officers who, upon the Reduction of the Regimental Establishments in the Year 1821, were entitled, from Seniority, to be retained on Full Pay, but were allowed to go upon Half Pay, in the room of Officers liable to be reduced.

3d.—Officers who shall have retired on Half Pay under the General Order, dated 25th April, 1826, by which Regimental Officers, who held superior Brevet Rank in the Army, are allowed to retire on the Half Pay of the next effective Rank above their Regimental Rank.

4th.—Officers belonging to the Medical Staff, permitted, in consequence of having served a certain period, to retire upon Half Pay, under the Regulations established for the Medical Department of the Army.

It is Our further Will and Pleasure, that Pensions shall not be allowed in any of the following cases, viz.

2d.—If the Officer shall have died in the Service of a Foreign State, unless serving with Our permission.

3d.—If the Widow shall receive any other Pension, Provision, or Allowance, from Us.

4th—If the Widow shall have been living in a state of separation from her husband at the time of his death, and shall not have been maintained wholly, or in part, at his expense.

5th.—If the Officer was sixty-five years of age when he married.

6th.—If the Officer had been excused from serving when called upon, unless the state of his health was such as to render him incapable of active Military Duty.

7th.—If the Officer, being a Foreigner, had served against Us, subsequently to his obtaining a Commission in Our Service.

8th.—If the Officer was placed on Half Pay with Temporary Rank only.

9th.—If the Officer received the regulated difference on exchanging to Half Pay;

unless he had been previously placed on Half Pay under circumstances which gave his Widow a claim to the Pension, and had paid the difference on being restored to Full Pay, provided, however, that his last retirement to Half Pay was occasioned by Wounds or by Infirmities, contracted in Our Service, which rendered him incapable of active Military Duty.

10th.—If the Officer did not do actual Service in some of Our Land Forces.

It is Our further Will and Pleasure, that the Pension of the Widow shall not be forfeited by her re marriage, unless the Person to whom she shall be re-married be an Officer and shall serve against Us; also, that if a Widow shall not prefer her Claim to the Pension within One Year after the death of her husband, the Pension shall only commence from the beginning of the Year in which the Claim shall be made; and that if the Claim of a Widow to the Pension shall not be preferred before her death, the Pension shall not be allowed to her Representatives.

And lastly, it is Our Will and Pleasure, that the Pensions of the Widows of Officers of Our Land Forces, except those of General Officers and of Officers holding Staff Appointments, shall be allowed according to the Commissions by which their respective husbands received pay, and not according to Brevets.

Given at Our Court at Carlton Palace, this 15th Day of June, 1826, in the Seventh Year of Our Reign.

By His Majesty's Command, (Signed) PALMERSTON.

WARRANT establishing Certain Rules by which the Grants of Annual Allowances, as of the Royal Bounty to the Widows, and in certain Special Cases, to the Mothers or Sisters of Officers of the Land Forces, who have lost their Lives in the Service, shall be governed.—Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules by which the Grants of Annual Allowances, as of Our Royal Bounty, to the Widows, and in certain special cases, to the Mothers or Sisters of Officers of Our Land Forces who have lost their lives in Our Service, shall be governed:—Our Will and Pleasure therefore is,

1st.—That from and after the 25th December, 1825, Allowances, according to the following Scale, shall be granted to the Widows of Officers who shall have been killed in Action, or shall die of their Wounds within six months after being wounded, or shall die a violent death in the immediate execution of some act of Military Duty; provided such Widows shall have made good their Claim to the ordinary Pension, under the Regulations established by Us on that head: and such Allowances shall be in lieu of the Ordinary Pension, and not in addition thereto.

2d.—That when an Officer shall be killed in Action, or shall die of his wounds within six months after he was wounded, and shall not leave a Widow or legitimate Child, an Allowance equal to the ordinary rate of Widows' Pension, attached to the Regimental Rank of the Officer, may be granted to his Mother; provided she be a Widow and in distressed circumstances, and was mainly dependant upon the Officer for support; but if the Mother shall be herself in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from Us, no Allowance, as of Our Royal Bounty, shall be made to her on account of her Son, unless she relinquish such Pension or Provision; and in the event of her re-marrying, the Allowance granted, as of Our Royal Bounty, shall cease.

3d.—When an Officer shall have fallen in Action, or shall die of his Wounds within six months after being wounded, and shall have left no Widow, legitimate Child, or Mother, but shall have left a Sister or Sisters, being Orphans, having no surviving Brother, and having been dependant for support upon the Officer, an Allowance equal to the ordinary rate of Widow's Pension may be granted to such Sister, or to such Sisters collectively, under extraordinary and special circumstances, to be judged of by the Lords Commissioners of Our Treasury; but the Allowance in each case is to cease, when the Person receiving it shall marry, or shall be in any other manner sufficiently provided for.

Given at Our Court at Carlton Palace, this 13th day of June, 1826, in the Seventh Year of Our Reign.

WARRANT establishing certain Rules and Regulations by which the Grants of Allowances on the Compassionate List to the Legitimate Children of deceased Officers of the Land Forces shall be governed.—Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules and Regulations, by which the grants of Allowances on the Compassionate List, to the legitimate Children of deceased Officers of Our Land Forces shall be governed, Our Will and Pleasure is, that from and after the 25th December, 1825, Allowances according to the Scale hereunto annexed, No. 1, may be given to such Children, in all cases in which the Widow of the Officer would be entitled to be placed on the Pension List, provided it be shewn that they are deserving objects of Our Bounty, and are in distressed circumstances.

It is, however, our Will and Pleasure, that the aggregate amount of the Allowances granted to the Family of any one Officer killed in action, including the Pension of his Widow, if he leave one, shall in no case exceed the rates specified in the scale hereunto annexed, No. 2, and in the case of Officers not killed in Action, shall not exceed, for the Family of a General Officer, Three Hundred Pounds a Year, or for the Family of any other Officer, the rate of the Half-pay attached to his Rank.

No. 440. GENERAL ORDER.

HORSE-GUARDS, 8th September, 1826.

THE Commander in Chief has great satisfaction in announcing, for the information and guidance of the Officers of the Army, the annexed liberal Regulations which have been established by His Majesty's Government to accommodate the circumstances of all Officers who shall, henceforth, be entitled to Passages in Freight Ships.

Officers will perceive that the said Regulations contain a Clause, whereby each Individual who shall fail to avail himself of the passage thus provided for him, shall forfeit a fourth of the charge for Messing specified in the annexed Scale; and that the Regimental Agents are made responsible to the Public, for withholding the amount of all such Forfeitures from the Parties in their respective Agencies.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS, Adjutant General.

REGULATIONS to be observed, in future, respecting Officers for whom Passages to Foreign Stations are provided in Freight Ships.

THE Captain is bound, by the engagement of his Owners with the Commissioners of the Navy, to provide every officer proceeding in his Ship as a Governmeat Passenger with a sufficient and respectable Table (including Breakfast, Dinner, Tea, and Supper, and a pint of Good Port, or Foreign White Wine, per diem) at the charge stafed in the annexed Scale, which also shows the respective proportions to be borne by the officer and the public, when the officer is proceeding to his destination under circumstances which entitle him to a Free Passage. When that is not the case, the whole charge for Messing is of course to be defrayed by the officer; and upon all occasions the Captain is to be paid one-fourth of the Table money for every officer who does not embark, unless sufficient notice is given to prevent his providing for his Mess.

In all cases of such forfeiture being incurred, the officer will be required to pay it; for which purpose the necessary orders will be given to the Regimental Agent, unless his being withdrawn should have taken place for the convenience of the Service, or that another officer embarks in his place.

When officers are provided with Passages in Freight Ships upon the application of the Commander in Chief, the necessary communication will be made to the Commissioners of the Navy respecting those entitled to the Allowance in aid of their Mess, and to those only will it be granted.

Rates at which Government Cabin Passengers shall be provided with a proper Mess, to the place of the Ship's destination.

DESTINATION.	Rates to be Charged for the Officer's Mess by the Masters of Freight Ships.	Amount to be paid by the Officer on Embarkation.	Amount to be paid by the Commissioners of the Navy.

Regulations under which Officers on Foreign Half-pay shall be permitted to dispose of their Commissions, 3d Nov. 1825.

The Officers on Foreign Half-pay who have received *King's Commissions*, and who have retired with the *Regimental* Rank of Lieutenant-Colonel, Major, and Captain, shall be permitted to dispose of their Commissions, as *Unattached Half-pay Commissions*, in the manner and upon the terms hereinafter described.

They shall receive *two-thirds* of the *new* price of the *Infantry* Commissions of their *Regimental Rank*, viz.

The Lieutenant-Colonel	£3,000	0	0
The Major	2,133	6	8
The Captain	1,200	0	0

The Purchasers shall be recommended to His Majesty by the Commander-in-Chief, from the lists kept in his Office, and shall pay for the several Commissions, the price established by his Majesty's Regulations of 1821, for Commissions in the Infantry.

The surplus will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury for the Public use.

The individuals disposed to avail themselves of this arrangement upon the terms specified, shall make application to the Commander-in-Chief, through the Military Secretary, and these applications will be registered in the Commander-in-Chief's Office as received.

No person to sell who has passed the age of 60 years, or who cannot produce a Medical Certificate, shewing that his retirement does not result from impaired constitution, threatening earlier dissolution than a person of his age may expect in the common course of nature.

The Medical Certificates to be given by a Board of Full, or Half-pay Medical Officers on the spot; or where such cannot be assembled, by the Physician or Surgeon attached to, or attending upon the British mission to the Court or Country in which the Officer resides.

The Certificates of Age and Health to be confirmed by the Signature of the British Minister or Consul at the Court, or in the Country where the Officer resides; in the case of Officers of the King's German Legion, by the Adjutant General of the Hanoverian Army.

The Certificate, so vouched and confirmed, to accompany, in every instance, the application made by the Individual who may be desirous of disposing of his Half-pay.

The time allowed to the Officers on Foreign Half-pay for taking advantage of this arrangement shall be limited to One Year.

It must be clearly understood that no Officer, who shall avail himself of the option offered by these Regulations of disposing of his Half-pay, shall be allowed under any circumstances to advance any claim on account of, or connected with Half-pay after having so disposed of his Commission.

Officers not in the receipt of their Half-pay, in consequence of being in the service of Foreign Governments, will not be allowed to dispose of their Commissions.

The Clauses of the Regulations of the 2d of May shall be applicable to all Officers who may become purchasers under the present arrangement.

No. 452.

HORSE-GUARDS, 25th April, 1826.

His Majesty has been graciously pleased to approve of the following arrangement, with a view to the general efficiency of the Service, in the Regimental Ranks of Major and Captain on Full Pay of the Infantry, and to the advantage and convenience of Officers who now hold their Regimental Rank with Superior Brevet Rank in the Army.

Regimental Officers on Full Pay who hold Brevet Rank in the Army superior to their Regimental Rank, shall have the option of retiring upon an Unattached Commission, on Half Pay of the next Effective Rank, above that which they hold Regimentally, and shall afterwards be permitted, if they should be so disposed, to avail themselves of the Regulations of the 25th April last, by selling that Unattached Half Pay Commission.

The actual Regimental Commissions from which the individuals are thus promoted, are to be in every instance filled from the Half Pay.

The Commissions of Captains, by Captains from the Half Pay, having no Brevet Rank higher than that of their Regimental Commissions.

The future Claims of Officers, retiring to Half Pay under this arrangement, shall, in consideration of their Services, not be affected by such Retirement;—and as the arrangement is made with a view to the convenience and advantage of the Service, they shall be considered as standing on the same footing with respect to provision for their Widows and Children, as Officers placed on Half Pay by Reduction, or on account of Wounds and Infirmities.

Three Months will be allowed to each individual from the date on which he accepts the Promotion to the Regimental Rank on Half Pay, to enable him to determine whether he is desirous of selling his Commission.

It must be understood that the Sale of Half Pay Commissions consequent on this measure, is distinct from that allowed by the Regulations of 25th April last, and that the period fixed by those Regulations will not be extended with respect to the individuals to whom they refer; also, that no Officer *above the age of Sixty Years*, who shall avail himself of the option of Promotion to the higher Regimental Rank on Half Pay, shall be allowed to dispose of that Half Pay; Certificates of Age must therefore, in every case, accompany the application to sell.

The individuals who shall be disposed to take advantage of the first part of this arrangement upon the terms specified, will make application to the Commander in Chief, through the Military Secretary; such application to be transmitted by their respective Commanding Officers, within One Month after they shall have become acquainted with the arrangement.

As one of the objects of this arrangement is to secure to Regiments the services of effective and efficient Field Officers and Captains, it is His Majesty's pleasure that the arrangement, so far as it provides for the Removal of Brevet Officers to Half Pay, with Promotion to the Regimental Rank, shall be imperative with respect to those holding Staff Situations, unless they should prefer giving up their Staff Situations, and returning to Regimental Duty in their Regimental Rank, and upon this point they are required to make an immediate communication to the Military Secretary for His Royal Highness the Commander in Chief's information.

No. 434. GENERAL ORDER.

HORSE GUARDS, 6th June, 1826.

Earl Bathurst, the Secretary of State for the Colonial Department, having communicated to the Commander in Chief the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to persons proceeding thither as Settlers, and his Lordship having suggested that it would be desirable to encourage Officers of the Army, and more especially those on half-pay, to become Settlers in that colony, by holding out to them superior advantages, in consideration of their services; His Royal Highness hereby makes known to the Officers of the Army, the Regulations approved by His Majesty for carrying these, His Majesty's gracious intentions, into effect.

The Rules under which Lands may be obtained without purchase are as follows:—

That no free Grant shall be made to any officer under the rank of Captain, nor to any officer who shall not produce satisfactory testimonials from the Commander in Chief's Office, of good conduct and unexceptionable character.

That in these cases, a remission of quit rent shall take place for a certain number of years, beyond the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—Officers who have served twenty years and upwards, to be exempted from all quit-rent. Officers who have served fifteen years and upwards, but short of twenty years, to be exempted from quit rent for the first twenty years. Officers who have served ten years and upwards, but short of fifteen years, to be exempted from quit rent for the first fifteen years.

In other respects the conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales, with certain modifications, respecting which, the Officers, who may be disposed to avail themselves of this arrangement, will receive information at the Colonial Department.

The officer, to whom land is granted, shall give some security that he, or his family, shall reside for at least seven years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a capital equal to half its value, as that value was estimated at the time when his Grant was made.

In the application of this arrangement to the Officers of the Army the following Regulations are to be observed:—

Officers on full-pay, who have purchased their commissions, or who have served twenty years, are to be permitted to dispose of their commissions in the usual manner, at the price fixed by His Majesty's Regulations.*

Officers on half pay, whether they have, or have not purchased, and whatever may have been the period of their Service, provided it be not less than ten years, to be permitted to sell their commissions for two-thirds of the value fixed by the last Regulations, and without being subject to any of the restrictions imposed by the Regulations of 25th April, 1825, excepting those which apply to age, and health, and character. The surplus,† viz. one third of the value to be paid in such manner as His Majesty's Government shall direct, the price given by the purchaser, being in such case, the full value of the commission.

The officer, who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony; and out of the proceeds of his commission, to place in the hands of the Government a sum equal to one third value of the commission, to be reserved for the cultivation of the Land, and which sum will be repaid to him upon his arrival in the Colony, and upon his taking possession of the Grant.

By Command of His Royal Highness, the Commander in Chief.
HENRY TORRENS, Adjutant General.

WARRANT consolidating and amending the several Rules and Orders under which Pensions are now granted to the Widows of Officers of the Land Forces, and establishing certain Additional Regulations and Restrictions relative thereto. Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions are now granted to the Widows of Officers of Our Land Forces, and to establish certain Additional Regulations and Restrictions relative thereto; Our Will and Pleasure therefore is, that from and after the 25th December, 1825, this Our Warrant shall be the sole Regulation on this head, and that Pensions, according to the Scale hereunto annexed, may be granted to the following classes of Widows of Officers of Our Land Forces; provided, however, that such Widows shall be considered by Us to be proper and deserving Objects of Our Royal Bounty, and shall produce, in support of their respective Claims, such Affidavits, Certificates and other Documents, as shall be required by Our Secretary at War.

1st.—The Widows of General Officers.

Digitized by Google

2d.—The Widows of Officers who, at the time of their death, held Commissions on Full Pay in any of Our Land Forces, or who held Commissions from Us, with permanent Rank, in Corps raised for Service in Our Colonies.

3d.—The Widows of Officers dying on Retired Full Pay.

1st.—If married to the Officers before their Retirement on Full Pay.

2d.—If married after their Retirement on Full Pay, and before the 25th December, 1825; provided the Officers had served Three Years on Full Pay, as Commissioned Officers in Our Land Forces.

3d.—If married after the Retirement on Full Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and the marriage shall have taken place within Eight Years after their Retirement.

4th.—The Widows of Officers dying on Half Pay; provided the Officers have been placed on Half Pay by Reduction, or in consequence of Wounds and Infirmities contracted on Service, which rendered them incapable of active Military Duty, and provided they did not receive any Difference on exchanging to Half Pay.

1st.—If married to the Officers before they were placed on Half Pay.

2d.—If married after the Officers were placed on Half Pay, and before the 25th December, 1825, provided the Officers had served Three Years on Full Pay as Commissioned Officers in Our Land Forces.

3d.—If married after the Officers were placed on Half Pay, and after the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and that the marriage shall have taken place within Ten Years after their being placed on Half Pay.

We are further pleased to direct that the Widows of the following classes of Officers, although not actually reduced, shall be allowed the same advantages under this Regulation, as if their husbands had actually been reduced, viz.

1st.—Officers who have exchanged to Half Pay in consequence of being appointed to a Staff or Garrison Situation; provided they did not receive any difference on such exchange.

2d.—Officers who, upon the Reduction of the Regimental Establishments in the Year 1821, were entitled, from Seniority, to be retained on Full Pay, but were allowed to go upon Half Pay, in the room of Officers liable to be reduced.

3d.—Officers who shall have retired on Half Pay under the General Order, dated 25th April, 1826, by which Regimental Officers, who held superior Brevet Rank in the Army, are allowed to retire on the Half Pay of the next effective Rank above their Regimental Rank.

4th.—Officers belonging to the Medical Staff, permitted, in consequence of having served a certain period, to retire upon Half Pay, under the Regulations established for the Medical Department of the Army.

It is Our further Will and Pleasure, that Pensions shall not be allowed in any of the following cases, viz.

2d.—If the Officer shall have died in the Service of a Foreign State, unless serving with Our permission.

3d.—If the Widow shall receive any other Pension, Provision, or Allowance, from Us.

4th—If the Widow shall have been living in a state of separation from her husband at the time of his death, and shall not have been maintained wholly, or in part, at his expense.

5th.—If the Officer was sixty-five years of age when he married.

6th.—If the Officer had been excused from serving when called upon, unless the state of his health was such as to render him incapable of active Military Duty.

7th.—If the Officer, being a Foreigner, had served against Us, subsequently to his obtaining a Commission in Our Service.

8th.—If the Officer was placed on Half Pay with Temporary Rank only.

9th.—If the Officer received the regulated difference on exchanging to Half Pay;

unless he had been previously placed on Half Pay under circumstances which gave his Widow a claim to the Pension, and had paid the difference on being restored to Full Pay, provided, however, that his last retirement to Half Pay was occasioned by Wounds or by Infirmities, contracted in Our Service, which rendered him incapable of active Military Duty.

10th.—If the Officer did not do actual Service in some of Our Land Forces.

It is Our further Will and Pleasure, that the Pension of the Widow shall not be forfeited by her re-marriage, unless the Person to whom she shall be re-married be an Officer and shall serve against Us; also, that if a Widow shall not prefer her Claim to the Pension within One Year after the death of her husband, the Pension shall only commence from the beginning of the Year in which the Claim shall be made; and that if the Claim of a Widow to the Pension shall not be preferred before her death, the Pension shall not be allowed to her Representatives.

And lastly, it is Our Will and Pleasure, that the Pensions of the Widows of Officers of Our Land Forces, except those of General Officers and of Officers holding Staff Appointments, shall be allowed according to the Commissions by which their respective husbands received pay, and not according to Brevets.

Given at Our Court at Carlton Palace, this 13th Day of June, 1820, in the Seventh Year of Our Reign.

WARRANT establishing Certain Rules by which the Grants of Annual Allowances, as of the Royal Bounty to the Widows, and in certain Special Cases, to the Mothers or Sisters of Officers of the Land Forces, who have lost their Lives in the Service, shall be governed.—Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules by which the Grants of Annual Allowances, as of Our Royal Bounty, to the Widows, and in certain special cases, to the Mothers or Sisters of Officers of Our Land Forces who have lost their lives in Our Service, shall be governed:—Our Will and Pleasure therefore is,

1st.—That from and after the 25th December, 1825, Allowances, according to the following Scale, shall be granted to the Widows of Officers who shall have been killed in Action, or shall die of their Wounds within six months after being wounded, or shall die a violent death in the immediate execution of some act of Military Duty; provided such Widows shall have made good their Claim to the ordinary Pension, under the Regulations established by Us on that head: and such Allowances shall be in lieu of the Ordinary Pension, and not in addition thereto.

2d.—That when an Officer shall be killed in Action, or shall die of his wounds within six months after he was wounded, and shall not leave a Widow or legitimate Child, an Allowance equal to the ordinary rate of Widows' Pension, attached to the Regimental Rank of the Officer, may be granted to his Mother; provided she be a Widow and in distressed circumstances, and was mainly dependant upon the Officer for support; but if the Mother shall be herself in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from Us, no Allowance, as of Our Royal Bounty, shall be made to her on account of her Son, unless she relinquish such Pension or Provision; and in the event of her re-marrying, the Allowance granted, as of Our Royal Bounty, shall cease.

3d.—When an Officer shall have fallen in Action, or shall die of his Wounds within six months after being wounded, and shall have left no Widow, legitimate Child, or Mother, but shall have left a Sister or Sisters, being Orphans, having no surviving Brother, and having been dependant for support upon the Officer, an Allowance equal to the ordinary rate of Widow's Pension may be granted to such Sister, or to such Sisters collectively, under extraordinary and special circumstances, to be judged of by the Lords Commissioners of Our Treasury; but the Allowance in each case is to cease, when the Person receiving it shall marry, or shall be in any other manner sufficiently provided for.

WARRANT establishing certain Rules and Regulations by which the Grants of Allowances on the Compassionate List to the Legitimate Children of deceased Officers of the Land Forces shall be governed.—Dated 13th June, 1826.

GEORGE R.

WHEREAS We think it expedient to establish certain Rules and Regulations, by which the grants of Allowances on the Compassionate List, to the legitimate Children of deceased Officers of Our Land Forces shall be governed, Our Will and Pleasure is, that from and after the 25th December, 1825, Allowances according to the Scale hereunto annexed, No. 1, may be given to such Children, in all cases in which the Widow of the Officer would be entitled to be placed on the Pension List, provided it be shown that they are deserving objects of Our Bounty, and are in distressed circumstances.

It is, however, our Will and Pleasure, that the aggregate amount of the Allowances granted to the Family of any one Officer killed in action, including the Pension of his Widow, if he leave one, shall in no case exceed the rates specified in the scale hereunto annexed, No. 2, and in the case of Officers not killed in Action, shall not exceed, for the Family of a General Officer, Three Hundred Pounds a Year, or for the Family of any other Officer, the rate of the Half-pay attached to his Rank.

No. 460. GENERAL ORDER.

HORSE-GUARDS, 8th September, 1826.

THE Commander in Chief has great satisfaction in announcing, for the information and guidance of the Officers of the Army, the annexed liberal Regulations which have been established by His Majesty's Government to accommodate the circumstances of all Officers who shall, henceforth, be entitled to Passages in Freight Ships.

Officers will perceive that the said Regulations contain a Clause, whereby each Individual who shall fail to avail himself of the passage thus provided for him, shall forfeit a fourth of the charge for Messing specified in the annexed Scale; and that the Regimental Agents are made responsible to the Public, for withholding the amount of all such Forfeitures from the Parties in their respective Agencies.

By Command of His Royal Highness,
The Commander in Chief,
HENRY TORRENS, Adjutant General.

REGULATIONS to be observed, in future, respecting Officers for whom Passages to Foreign Stations are provided in Freight Ships.

THE Captain is bound, by the engagement of his Owners with the Commissioners of the Navy, to provide every officer proceeding in his Ship as a Government Passenger with a sufficient and respectable Table (including Breakfast, Dinner, Tea, and Supper, and a pint of Good Port, or Foreign White Wine, per diem) at the charge stated in the annexed Scale, which also shows the respective proportions to be borne by the officer and the public, when the officer is proceeding to his destination under circumstances which entitle him to a Free Passage. When that is not the case, the whole charge for Messing is of course to be defrayed by the officer; and upon all occasions the Captain is to be paid one-fourth of the Table money for every officer who does not embark, unless sufficient notice is given to prevent his providing for his Mess.

In all cases of such forfeiture being incurred, the officer will be required to pay it; for which purpose the necessary orders will be given to the Regimental Agent, unless his being withdrawn should have taken place for the convenience of the Service, or that another officer embarks in his place.

When officers are provided with Passages in Freight Ships upon the application of the Commander in Chief, the necessary communication will be made to the Commissioners of the Navy respecting those entitled to the Allowance in aid of their Mess, and to those only will it be granted.

Rates at which Government Cabin Passengers shall be provided with a proper Mess, to the place of the Ship's destination.

DESTINATION.	Rates to be Charged for the Officer's Mess by the Masters of Freight Ships.	Amount to be paid by the Officer on Embarkation.	Amount to be paid by the Commissioners of the Navy.
